Rabbi Yaakov Sadigh
Head of School

As I sit down to write this, my final message for the *Hillel Herald*, I am filled with a mix of emotions—gratitude, nostalgia, and sadness. It is not easy to say goodbye to a community that has been such a special part of my life in such a short time.

Over the last three years, I have had the privilege of witnessing the growth, achievements, and indomitable spirit of our students, staff, and parents. Together, we have celebrated successes, overcome challenges, and created memories that I will cherish forever.

As I prepare to step away, I am comforted knowing that I have left the school in capable and caring hands. KHDS is a place where the foundations for success are deeply rooted. The sense of family and warmth here is palpable, fostering a nurturing environment where every student can thrive. Our love for Israel and our commitment to acts of kindness are the cornerstones of our community, reflecting our values and guiding our actions. Most importantly, we see our students as our future, investing in them with the belief that they will carry forward our legacy of excellence, compassion, and resilience.

During my time here, I have also experienced tremendous professional and personal growth. Being surrounded by the

incredible KHDS students, staff, and families has enriched my life in ways I never imagined. When I had no family during my stay here, the KHDS and Boca community became my family. I leave this school a better person than when I arrived, inspired by the dedication, passion, and kindness that define this special community.

I am confident that KHDS will continue to build on its remarkable successes, growing stronger and reaching new heights. The spirit and dedication of the staff, students, and families will ensure that this institution remains a beacon of education and community.

As I bid farewell, I do so with immense pride in what we have accomplished together and with great anticipation for all the wonderful achievements that lie ahead for KHDS.

In Hebrew, we part with the words *L'hitraot*, until we meet again. I anxiously await the day Hashem will gather us all back to Yerushalayim, when I will be reunited with you all again in our homeland, Eretz Yisrael.

With much love and gratitude!

Lev Stark
Executive Director

Last August, I left the smog, crime, and traffic jams of Los Angeles for the sun and sand of Boca Raton, taking on the role of Executive Director at Katz Hillel Day School. My expectations were higher than a kite in a hurricane, and I'm happy to report that Boca and KHDS did not disappoint. This year has

been a wild ride of new beginnings, unforeseen challenges, and remarkable progress, all of which have made my journey nothing short of spectacular.

First, let's talk security. Post October 7, we faced significant challenges that made me feel like I was starring in my own episode of "24," minus Jack Bauer. We managed to keep everyone safe and secure. There is still more to come on the security front and you can expect to see continued upgrades. Then there's the new building construction, which is now moving faster than a squirrel on Red Bull. Balancing these developments while learning my new role and getting to know our incredible staff and parents has been like juggling flaming torches – exciting but requiring constant vigilance.

Adjusting from the hustle and bustle of LA to the charm of Boca Raton has been quite the experience. One particularly memorable moment was my first encounter with the local wildlife – no, not the alligators or the retirees on golf carts, but the fearless pickleball players. These folks play with the intensity of Olympic athletes and the strategy of chess grandmasters. They took one look at the "new guy from LA" fumbling with the pickleball paddle and decided to give me a crash course. Their patience and humor made me feel right at home – although I'm

pretty sure they're still laughing about it.

When I first moved here, I had heard glowing reviews about Boca and Katz Hillel Day School, but the reality far surpassed anything I could have imagined. This school is a beacon of educational brilliance, staffed by educators and administrators who are so dedicated they make workaholics look lazy. The city welcomed me with open arms, offering a blend of sophistication and that charming, out-of-town yet big-enough-city feel that made me fall in love with it.

As we transition into summer and prepare for the campus to host summer camp, our focus remains on rejuvenating the school. Not just with the new building, slated for completion this winter, but also by gearing up for a successful year ahead. The excitement is in the air, and our management team has spent the last six months jelling into a cohesive unit, ready to tackle whatever challenges come our way.

Reflecting on this past year, I feel incredibly fortunate to be part of the KHDS team. It's been a rollercoaster ride, complete with unexpected thrills and moments that left me hanging on for dear life. But here we are, thriving and looking forward to an even brighter future.

So, raise your iced tea (or whatever your drink of choice may be), and let's toast to another year of laughter, learning, and growth. Thank you for making my first year unforgettable – and for showing me that there's no place quite like Boca Raton.

Hadassah Smolarcik
Judaic Studies Principal, Grades 1-8

As I sit at my desk pondering what to write for this publication, Israel has been at war for over 235 days. In all of my years as an educator, this year has been a very difficult one for Klal Yisrael. Colossal changes have shaken us

to the core in such a short span of time. The world as we knew it a year ago has changed, spiraling out of control and drastically changing. As teachers and parents, we had to contemplate what to share with our precious children and how to transmit what was and is happening.

Perhaps a lesson can be learned from Parshat Masei, where Moshe Rebbeinu lists all 42 travels of the Jewish nation in the Torah. Why is there a need to know all the travails and details? Rabbanit Yemima Mizrahi explains that if we don't know what we endured, even the most minute details, then we cannot fully appreciate what the future holds for us. Often, we want to spare our children, and we are worried about discussing unpleasant situations, but in Parshat Masei, we learn that our children cannot yearn for the future when they know nothing of the past. The more we talk with our children, the more we educate them about what we have endured, and the more their connection to our heritage and Judaism will stay intact. Sadly, we are all too familiar with parents and teachers who wanted to provide their children and students with too much comfort and wanted to escape tumultuous pasts—to the extent of distorting truths and erasing history. We can have a nachat-filled future when we instill in our children a deep appreciation of our nation and what we have gone through, to let them feel it in their bones so that they will carry on the legacy.

At KHDS, the teachers, B'not Sherut, and parent body created many programs and positive incentives this year, be it through Chesed opportunities, tzedakah campaigns, or increased Tefillah and Tehilim programs, to inspire our students and help them understand that they make a difference. Watching the students at the *Esti Moskowitz Oneg* each Friday as they sang *Acheinu* and *Am Israel Chai* was a truly a memorable sight to behold!

No matter how difficult things are, we must instill in our children that we are a nation of truth, morality, decency, and honesty. We remember who we are, where we came from, and whom we follow. Torah and Mitzvot are the light that drives away the darkness and illuminates our lives.

May the Geulah arrive speedily, and may we suffer no more.

Have a safe summer.

3rd graders presented their KHDS mitzvah army unit, Kibud Av V'Eim, by sharing a video and Divrei Torah during an *Esti Moskowitz Oneg* and Hallel Tzibburi.

Shireen Butman
General Studies Principal, Grades 1-5

I write this article as the school year draws to a close, and am filled with immense pride and gratitude for the incredible journey we have embarked on together at KHDS. It has been a year of boundless growth, exploration, and achievement, and I am thrilled to share some of the highlights and accomplishments that have made this year truly remarkable.

Academic Excellence: Our students have flourished academically, demonstrating remarkable progress and achievement across all grade levels. From mastering fundamental concepts in reading, writing, and mathematics to engaging in hands-on science experiments and delving into the depths of history and social studies, our students have embraced the joy of learning and excelled in their academic pursuits.

Enriching Field Trips and Experiences: Throughout the year, our students have had the opportunity to participate in a variety of enriching field trips and experiences that have brought their learning to life. Our lower school students have visited the **Cox Science Center**, **Bedner's Farm**, the **Everglades**, **Publix**, and **LEGOLAND**. These hands-on experiences have ignited curiosity, sparked imagination, and fostered a deeper understanding of the world around them.

Grade Level Presentations: Our students showcased their learning, creativity, and hard work through grade-level presentations about community helpers, the solar system, the state fair, and important current and historical figures.

Professional Development and Growth: Our dedicated teachers have continued to learn and grow through ongoing professional development in the areas of literacy, mathematics, differentiation, data analysis, and more. From workshops to collaborative planning sessions, they have remained committed to honing their craft, exploring innovative teaching strategies, and enhancing their ability to meet the diverse needs of our students.

As we reflect on the past year, I am filled with gratitude for the unwavering support and partnership of our parents. Your involvement and encouragement, alongside the dedication of our teachers, have been instrumental in creating a vibrant and nurturing learning environment where every lower school student feels valued, supported, and inspired to reach their full potential.

As we bid farewell to another memorable school year, I want to extend my heartfelt thanks to our dedicated and passionate team of lower school teachers who seek to engage, guide, and push each student to achieve their best. Together, we have accomplished so much, and I am excited to see what the future holds as we continue to inspire and empower our students to dream big, work hard, and make a positive difference in the world.

Wishing you and your families a wonderful and relaxing summer. I look forward to welcoming your children back in August for another exciting year of learning and growth.

In our constant quest to bring cutting-edge learning to KHDS students, the lower school has received 10 new **VEX GO** robotics kits. Moving forward, students will be able to develop their interest in engineering, computer programming, and coding. Through this initiative, our goal is to provide students with the opportunity to be better prepared for an ever-changing technically driven world. Thank you to **Shireen Butman**, General Studies Principal (Grades 1-5), and **Spencer Landreth**, STEM teacher, for enhancing the STEM program in the lower school.

Students expressed their creativity in art class.

The **Kids Heart Challenge** is one of the favorite fundraising events for many students. This year we raised a total of \$2,162, but most importantly this program helped students learn about the benefits of

regular physical activity and heart health while raising funds to fight heart disease and stroke. The event was filled with competition and rewards for outstanding performance. So far our KHDS lifetime donation is \$88,895!

Mazal Tov to this year's fundraising winners:

- 1st place: Ella Lovy (1st grade) raised \$628**
- 2nd place: Zev Weiss (2nd grade) raised \$329.11**
- 3rd place: Yoni Cik (5th grade) raised \$214.39**

Based on the \$2,162 that was raised this year, the **American Heart Association** rewarded us with a \$200 gift certificate, which will help purchase new equipment for our PE Department.

**Rina Lanner, M.S. Ed.,
General Studies Principal, Middle School**

Three concentric circles—no, not a math problem, but a description of how the Jews encamped in the Midbar for the entire forty-year journey towards Eretz Yisrael. Am Yisrael, who had just received the Torah at Har Sinai and constructed a dwelling place for Hashem, was instructed on how to arrange their encampment. The Torah goes into extreme detail about how the Mishkan was in the center, surrounded by Shevet Levi, and then encircled by the remaining tribes, three in each direction. The Torah describes how each tribe had a designated flag that represented their specific tribe. Each flag's color mimicked the color of that tribe's stone on the Choshen (breastplate) and had a depiction of an object that was uniquely connected to that tribe.

Rabbi Yaakov Kaminetsky questions why Bnei Yisrael only received their encampment assignments and flags after the construction of the Mishkan, approximately a year into their journey in the desert. He beautifully explains that it's possible that with each tribe having their own flag, it may create divisiveness within the nation. Each tribe waving their own flag and standing for their own cause. However, once the Mishkan was built, and placed in the very center of the Jewish people, it was clear that the Jewish people were unified and bonded through Avodat Hashem. While we each serve Hashem with our own unique personalities and talents, we share a common goal of serving Hashem.

At KHDS, we strive to guide our children to discover and cultivate their unique strengths. Each child is given the opportunity to shine in their own way. KHDS nurtures individual growth, where every child feels valued and empowered to reach their full potential. As our children wave their flags high, each child celebrates their individuality, united by the shared purpose of growth in Torah and Avodat Hashem.

Thank you for partnering with us and entrusting us with your children. Wishing everyone a restful, rejuvenating summer!

Gwenn Baer
Early Childhood Director, EC2-K

This has been an amazing year filled with growth, learning, and joyful experiences here at the **Rosalind Henwood Early Childhood Learning Center**.

This year, we have witnessed incredible milestones in our students' development. The children have shown growth in their confidence and remarkable social, emotional, and academic progress. Their curiosity, creativity, and enthusiasm have been truly inspiring. Our classrooms have been filled with the sounds of Hebrew songs and laughter, learning about the Parsha, and the excitement of hands-on learning.

Our dedicated team of teachers created a nurturing and stimulating environment where every child felt valued and supported. It has been a joy to see our students' eyes light up with excitement as they discover new concepts and skills. The relationships formed between students, families, and staff have created a warm and supportive atmosphere where our students thrive.

As we entered the final months of our year, our students' learning experiences continued with fun and educational programming such as Health Week organized by **Mrs. Nili Davis**, our whole school Purim Carnival, visits from **Rabbi G**, and swim lessons for our EC3/EC4 students. Parents were able to come into school to enjoy their children in our annual Pesach shows and, of course, our remarkable Kindergarten graduation.

As we look ahead to the next school year, we are excited about the possibilities and opportunities that await us. We will continue to build on the foundation we have established, fostering a love for learning and helping each child reach their full potential while deepening their connection to Torah values and traditions.

Thank you for entrusting us with the care and education of your precious children. It has been an honor and a privilege to educate your child this year. We wish you all a wonderful summer filled with fun, relaxation, and cherished moments with your loved ones.

See you in August!

Rabbi Sadigh has been a part of countless milestone events and has continued to keep the excellent education of our students a priority as well as top-notch faculty and staff. He has also secured hundreds of thousands of dollars in grants and has spearheaded other giving opportunities for the benefit of our amazing school and one-of-a-kind KHDS experience.

Rabbi Sadigh's "customer service and dream big" mantra (learned from the Disney Institute) has been a constant theme during his tenure. We wish him and his family the best in their future endeavors and will always cherish the memories we have had. They will always be a part of our KHDS family!

During the faculty and staff closing meeting on June 7th, **Lev Stark** expressed heartfelt gratitude to **Rabbi Sadigh** for his service and presented him with a beautiful shtender on behalf of KHDS. **Rabbi Sadigh** then delivered an emotional parting address.

ACROSS THE GRADES

They dedicated the yearbook to our beloved *Esti Moskowitz a'h*. PTA President, **Naomi Katz**, offered well wishes and presented siddurim as gifts to the graduates on behalf of PTA. She announced that PTA has invested over \$600,000 to enrich the experience of KHDS students, staff, and families over the years. The graduation film, produced by **Zachary Cohen/Coco Productions**, graced the silver screen and was followed by the presentation of diplomas and siddurim by **Rabbi Sadigh**, **Morah Hadassah**, and **Morah Lanner**.

A special shout-out was given to Assistant to the Head of School **Jill Kaminetzky**, for her tireless efforts and behind-the-scenes planning of every detail of the graduation, and to alumni parent **Caroline Katz** for photographing the 8th grade portraits (as well as many of their portraits when they were in kindergarten) and creating the photo boards that classmates were able to sign with special messages. PREMIERE OF NAMES, NOT NUMBERS®:

KHDS gratefully acknowledges the **Names, Not Numbers®** program, which has taught our students about the Holocaust through the accounts of eyewitnesses and provided them with interviewing, filming, and editing skills. This year the program had heightened significance and most importantly, the program enabled the survivors and our students to forge meaningful relationships. This program has transformed the traditional study of the Holocaust and KHDS has benefited tremendously through our participation in this project.

On Tuesday, March 26th, the documentary premiered at **Temple Beth Shalom in Century Village**. The film chronicled the lives of eight Holocaust survivors, as well as the personal experiences of the KHDS 8th grade students who worked on this project since September of 2023 under the direction of faculty coordinator **Rabbi Ari Mirzoeff**. We also acknowledge **Dov Rosenberg** (executive producer), **Drew Aldridge** (film editor), **Michael Puro** (director), **Lou Aguilar** and **Carlos Sanchez** (filmmakers), and **Marcelle Fischler** (visiting journalist). Special thanks to **Jill Kaminetzky**, **Rina Lanner**, **Karen Moskowitz**, **Sonja Nadritch**, **Hadassah Smolarcik**, **Chava Weisstuch**, **Congregation Torah Ohr**, and **Congregation Beth Shalom**.

1ST GRADE MITZVAH FAIR

Inspired by events in Israel, 1st graders formed the Kitah Alef **Mitzvah Army** on March 13th as they gathered with their parents in the **Loewenstern Cafetorium**. The yeladim spent months learning about Mitzvot and developing a strong love of Torah learning and presented the Mitzvah portfolio they created in class. The children sang songs, participated in parent-child learning, and completed a Mitzvah project. Thank you to the **Wolk family** for sponsoring our Kiddush HaShem portion of the program, as the yeladim packaged mishloach manot to give to someone new this Purim. Boys Tennis

Girls Tennis

"Although the boys didn't win first place I think this year was a successful one! Second place is also a big accomplishment... I am also very happy the girls made it to the playoffs. Overall I think most everyone had fun and learned a little something each time we practiced or had a match. Now the tennis team has a trophy to show everyone!"

- Coach Karen

Boys Baseball

Girls Flag Football

"We had an exciting season with a fabulous group of boys. In the last game, a 5-4 victory over Renaissance PP, the team was down 4-1 going into our last at bat when the Lions exploded with 4 runs to take the lead 5-4. This sealed the victory and put an exclamation mark on a 3-4 season just missing the playoffs."

- Coach Gary Tucker and Asst. Coach Cliff Abrams

"Words cannot describe this amazing TEAM. We started the season struggling to receive handoffs and ended the season being the most dominant team in the league both mentally and physically which was accomplished by hard work, love, unity, and so much more. The championship game versus St. Marks was the definition of a 'battle' from beginning to end finishing in overtime. No matter the outcome, this is a 'championship' team."

- Coach Shawn & Coach Grizz

4th-5th Girls Soccer

4th-5th Boys Soccer

"Dear Lady Lions,
I am honored to have the opportunity to be your coach this year. I am so proud of every single one of you. Congratulations on winning another championship! Go, Lady Lions!"

- Coach Panda

SCAN TO DONATE

As we close the books on the 2023-2024 campaign, we thank all of our generous donors who supported the many KHDS giving opportunities throughout the school year. Full recaps of our *Annual Journal Dinner* and the *9th Annual Family Golf Outing* can be found on the following pages. We also congratulate the KHDS winners of the *Mega Raffle*, **Zev & Leora Weiner** (former KHDS parents) and **Madeline Silver** (KHDS grandparent), who each won \$1,000, as well as **Akiva & Mimi** (Class of '02) **Friend** who won a \$100 Amazon gift card in the KHDS participant raffle drawing. Thank you to all of those who supported the raffle which raised over \$16,000 towards our annual campaign.

This year, we also have welcomed many generous donors to our *Capital Campaign* and *Major Gifts Societies* and thank these stakeholders for their lead gifts and commitment to our amazing school. We also are thankful to those KHDS families who have participated in our *Every Family Gives Capital Campaign*.

As one door closes another one opens and the time has come to wish **Dr. Orlie Cohen** a bittersweet farewell as she concludes her tenure as Financial Resource Development Chair and hands the baton to **Mrs. Amy Tarlowe**. Orlie, it's been one heck of a ride...and Amy, looking forward to traveling new roads with you!

Meet Amy Tarlowe, Incoming Vice President & FRD Chair

We are excited to announce that KHDS parent **Amy Tarlowe** has accepted the position of Board Vice President for the 2024-2025 school year. Amy will be working closely with President, **Daniel J. Katz**, and the entire Board of Trustees to continue the mission of excellence in Jewish education, to enhance the KHDS one-of-a-kind experience it offers to our children, and to maintain excellence among our faculty and staff.

Amy will also be spearheading the **Financial Resource Development (FRD) Committee** to continue the important fundraising efforts for our school. She joined with **Dr. Orlie Cohen** as Financial Resource Development (FRD) Co-Chair earlier this year and spent countless hours working on the *Annual Journal Dinner* and the *Capital Campaign*.

Amy served as an executive board member and secretary during the past school year. She and her husband, **Dr. Michael Tarlowe**, have 3 children: **Joseph** (outgoing 6th grade), **Ethan** (outgoing 4th grade), and **Henry** (outgoing 2nd grade). The Tarlowes have a "Hakarat Hatov" mission and have generously supported a myriad of the school's fundraising efforts from the *Annual Golf Outing*, to the *Capital Campaign*, sponsoring **Days of Learning**, and everything in between. They are also **KHDS Atid Legacy Society** members and intend to include the school as part of their legacy planned giving.

Please welcome Amy and wish her mazal tov on her new leadership position.

Three Cheers for Orlie Cohen

Dr. Orlie Cohen. You know her name! She has been one of KHDS' biggest cheerleaders! After 13 years of working with the Development Office, Orlie is officially retiring as **Financial Resource Development (FRD) Chair/Co-Chair**. For eight of those years, she served single-handedly. Now that is dedication!

What you might not know about Orlie are the countless hours she has spent behind the scenes working closely with **Suzanne Rice**, Director of Development, during her tenure, after she took the baton from Immediate Past FRD Chair, **Sal Abady** in 2011-2012. She has done it all – from planning **Journal Dinners**, including last year's dinner where she and her husband, **Eli**, were honored, and milestones such as the school's 25th and 30th anniversaries. She has religiously been involved with the **Annual Parent-Child Golf Outings** – as well as the earlier year **Annual Golf Tournaments**, and the infamous **Wizards vs. Team Hillel** fundraiser in 2014. Orlie has been strategically involved in the school's **Capital Campaign** and **Burn the Mortgage** efforts, and also was essential in creating KHDS' first-ever legacy-giving society – the **Atid Legacy Society**, of which she and Eli are members. She has assisted in planning annual appeals like the **Every Parent Campaign (EPC)**, and the **Mega Raffle**, and also helped spearhead the school's first-ever crowdfunding campaign – "**Pledje**." Something near and dear to her heart is the essential **Major Gifts Society** initiative in which she and her husband have been consecutive members since 2010-2011, including the **Lamed Vav Society** and currently the **Chai Society**.

"Eagle-eye Orlie" has assisted with content, layout, and editing of school publications including the *Hillel Herald* and *Annual Report*. She has chaired FRD committee meetings, brainstormed about fundraising strategy, and personally solicited countless donors for the important funds that have kept our campaigns so successful.

Orlie has also earned great respect from past boards and heads of school, as well as KHDS President **Daniel J. Katz**. Orlie sees the big picture and her wisdom and intuitiveness are invaluable. She and her husband Eli began their KHDS journey during the 2005-06 school year. Since then they have graduated all 4 of their children **Jojo** (Class of '17), **Alexandra** (Class of '18), **Sarah** (Class of '20), and **Gabriel** (Class of '22).

Orlie joined the **KHDS Board of Directors** in the fall of 2010 and has also served as an **Executive Committee member** as well as a **PTA Board member**. She and her family have been huge fans of the athletic department and have rarely missed a **Lions** game during their tenure. In fact, the **Cohen family** was awarded the "**Roar Award**" in 2014 for their awesome team spirit. Orlie has witnessed the growth of our school both financially and physically and has played a leadership role in the development of the school overall.

Although Orlie is retiring as FRD co-chair (a role she most recently shared with incoming KHDS Vice President, **Amy Tarlowe**) she will remain an active member of the **FRD Committee** as well as an **Executive Board member** on the **KHDS Board of Trustees**. On behalf of our entire KHDS family, thank you, Orlie, for your tireless dedication and passion for our school.

He then introduced the keynote speaker, author of *From Zero to One Hundred* and combat paramedic from the **IDFs Elite Combat Rescue Unit**, whose meaningful and real account of October 7th touched all who were present.

The feature video presentation spotlighted former KHDS students who serve(d) in the IDF, including a very special memorial tribute to **Master-Sgt. Ari Yehiel Zenilman, Z"L**, who was tragically killed in Gaza during active duty. The video also featured current KHDS students in a showcase of love for Israel and the one-of-a-kind experience KHDS offers.

After MC **Jason Zangre** made a campaign plea for the **Capital Campaign** which is currently seeking to raise \$1.8 million for the new building, **Asaf Levi** took the stage as he and his pianist led a kumsitz.

As guests departed, they enjoyed a to-go dessert buffet as a sweet ending to the evening.

Thank you to everyone who generously supported our scholarship fund and paid tribute to the deserving honorees through an ad in the **Ad Journal**. Visit our website at www.hilleldayschool.org to view the videos, photos and **Ad Journal**.

9th Annual Family Golf Outing

Participants from across the generations enjoyed the **KHDS 9th Annual Family Golf Outing** on Sunday, June 2nd at **Boca Delray Golf & Country Club**. The event, co-chaired by KHDS dads **Joe Averbook, Dov Hochner, and Jason Zangre**, raised over \$25,000 for the scholarship fund while offering a great day of ruach and fun for everyone.

Participants received their swag bags and enjoyed Sunday brunch provided by **King David Divine Catering**. Everyone had a chance to participate in the putting contest before the 9-hole shotgun scramble and the day concluded with a grab-n-go snack. Participation trophies were presented to the children participants as a memory of the day.

A special shout out to **Jason Zangre, Fred Pica, and Sunshine Golf Car** for providing additional carts as well as for their assistance in securing some of the junior golf clubs, to **Dr. Eli Cohen and Cohen Center for Dermatology & Cosmetics** for donating the sunscreen, and to KHDS grandparents **Sandy & Barbara Cohen** for securing some of our raffle prizes. We also acknowledge **IGS Security USA** for keeping everyone safe and **Coco Productions** for event photography.

Thank you to all of the volunteers and KHDS staff for helping to make this a successful event: **Julie Abrams, Danna Averbook, Joe Averbook, Barbara Cohen, Sandy Cohen, Rabbi Gershon Eisenberger, Melissa Fitzgerald, Dov Hochner, Shaindi Hochner, Justin Jacobs, Simone Jacobs, Mirel Weg, Yehudis Weg, Leah Wubnech, Getenet Shaul Wubnech, and Jason Zangre**. We are also grateful to **Jennifer Romanoff, Esteban Mercedes**, and the KHDS maintenance team for their assistance with logistics behind the scenes.

Message from the PTA President
Naomi Katz

As we come to the close of my first year as **PTA President**, I could not be prouder of the work all the board members and volunteers have put in.

We have far exceeded our goals, adding new events and activities, a new dads event, a challah bake, a chanukah shuk, and so much more. We made our annual grand donation to KHDS, the carpet tiles for the gym, making that space so much more useful. I look forward to working next year with Co-President **Anna Jacobs** as she prepares to assume the duties of president after my youngest graduates in 2025, and my term expires. As always, we are constantly on the lookout for new and exciting ideas and open to all parent volunteers. Please reach out to me at khdspata@hilleldayschool.org.

I hope everyone has a wonderful summer and comes back in August ready for another great year at KHDS!

End-of-Year Wine & Cheese

PTA capped off an amazing year by hosting a **Wine and Cheese Night** for KHDS moms. Participants enjoyed sipping and snacking on beautifully curated wines and cheeses, while indulging in sushi, salads, pasta, and dessert. Everyone also created beautiful floral arrangements to take home to enhance their Shabbat tables. Many thanks to the team of **Danna Averbook, Jaime Feld, Rachel Fraiman, Anna Jacobs, and Na'ama Rosenberg**. A special thank you to KHDS parent and iPicture Magnet owner **Shlomi Cohen** for donating his time and magnets! Thank you to parent volunteers **Jennifer Berkowitz, Danielle Lazoff, and Leah Ravae**.

Guardians of Learning 2024

Once again, thank you to **Caroline Katz** and **Stephanie Stern** for co-chairing another successful year of the **Guardians of Learning**. The PTA has been hard at work to fund and support incredible initiatives to enhance the educational, extra-curricular and daily lives of our students and devoted staff. PTA has consistently played a strong role in all areas of the KHDS community, from providing the little things, like challot on Shabbat and holiday treats, to Teacher Appreciation initiatives, the Uniform Shoppe, and milestone gifts for Bar/Bat Mitzvot and graduations, or larger expenditures like the Mac Lab, VR headsets, sunshades, the scoreboard, and the swimming pool. Throughout the years, PTA has been able to invest over \$600,000 to enrich our children's experience at KHDS.

We thank those who have made a commitment to support our most lucrative and essential fundraising program for 2024.

The **Guardians of Learning** are the women around whom we rally and applaud for their annual contribution of \$360 — money that is put to work to the benefit of all of our students and staff at KHDS.
